

A Word from Patsy Allen

VOLUNTEER TESTIMONY

When asked to volunteer at A Choice to Make, I immediately knew this was the opportunity I had been waiting for to give back for the blessings God had given my family and me. We love babies! Finding out that there would be no biological children for my husband and I caused us to

look to adoption, which is often not an easy road. As time passed, two extremely brave young women made the decision to give life to their babies and courageously and lovingly placed them for adoption. My husband and I were chosen to be the parents of those precious gifts. How could we not give back!

At A Choice to Make I have

the chance to work with young women and their babies; encouraging, praying for, and loving them as they are often walking a difficult path. Thanks be to God for how graciously He uses difficult things in our lives to do some of His best work.

“And we know that all things work together for good to those who love God, to those who are called according to His purpose.”

Romans 8:28

JOY

"Just so, I tell you, there is joy before the angels of God over one sinner who repents."

Luke 15:10

Blessed!

The Knights of Columbus generously raised the funds for us to have a new ultrasound machine. With this new ultrasound unit, medical professionals can show life at an earlier gestational age and with more clarity.
